* REDUCED RATES

As per resolution nr 24 of 10 February 2023, the non-cumulative reduction of 20% on the full rate is applicable to the following categories:

- **School groups** from other Italian cities or from abroad providing a confirmation issued by the school;
- **Groups staying in one of the hotels located in the Municipality of Lucca** providing booking reservation confirmed by the hotel.
- **Groups consuming their lunch or dinner, by food and beverage services located in the Municipality of Lucca**, providing booking reservation confirmed by the food and beverage service.
- **Groups participating in** political, military, trade union, religious, sporting and theatrical events, sponsored by the Municipality of Lucca, providing the documentation of the sponsorship.

The reduction will be applied upon request to be sent at least three days before arrival: (online by the website <https://ines.luccaplus.it>)

The company Lucca Plus s.r.l., to verify the requirements to obtain the 20% reduction, has the right to request the relevant documentation and, in the event of a lack of right qualifications, applies the full rate.

Possibility of purchasing in a single solution a ticket valid up to a maximum of 7 days which provides for the application for the first three days of the full rate and starting from the fourth day the application of 20% discount.
